GUIDED CYCLING TOURS
IN TRANSYLVANIA
AND HUNGARY

Hi there! I'm Peter.

I was born in Timișoara and had been living in Budapest since 2014.

Every tour on this page visits places that are close to my heart. Southern Banat was where we had our family weekend getaways when I was a child. Maramureș and Saxon Transylvania were my first longer trips with my wife. Etyek is basically my weekend training ride.

I know each of these places inside-out. I have ridden these trails multiple times. I have tried the foods, met the people and heard all the stories. And now I am ready to share it with you!

... a style for every rider
